

## MARATONA DLES DOLOMITES – ENEL

### Press release

#### A NEW EDITION OF THE MARATONA DLES DOLOMITES-ENEL IS BLOOMING

The registrations for the 35<sup>th</sup> edition of the Maratona dles Dolomites - Enel dedicated to Flora (on the ladin language "Ciüf") and scheduled to take place on Sunday, 3<sup>rd</sup> July 2022, will open on October 13<sup>th</sup> 2021.

*"The 2021 edition only ended a few months ago, but preparations for a new Maratona are already under way. Obviously, it will be an even better event. Why? Because we are nature, so we decided to dedicate the next edition to nature, to Ciüf, the local Ladin term for flora and flowers. I wish those who dream of participating a happy autumn: the larch trees here are yellow, with some of their needles turning a bright fiery auburn. Flora is thus confirmed to be an expression of what's absolute."* Michil Costa

#### **Big news: there will be eight thousand participants**

After careful analysis and to improve the quality and safety of the event, the Maratona's organising committee has decided to reduce the total number of participants to 8.000.

Considering the significant portion of registration fees transferred from 2021, there is still the chance to involve new participants in the form of higher-priced registration, accommodation plus registration package and 1.200 in the draw.

Here are the details to get your hands on a starting number:

- on-line pre-registration on the website: [www.maratona.it](http://www.maratona.it) between 13<sup>th</sup> October and 3<sup>rd</sup> November 2021 with participation in the draw which will take place in the second half of November 2021

- purchasing of an accommodation package (minimum 4 nights) + guaranteed registration, which are managed and sold from 11<sup>th</sup> October 2021 on the website of our official tour operator, Holimites: [www.holimites.com](http://www.holimites.com)

For further international official tour operators (including contacts) please visit [www.maratona.it/en/tour-operator-en](http://www.maratona.it/en/tour-operator-en)

- charity registrations which are sold on-line only on the website: [www.maratona.it](http://www.maratona.it) on 23<sup>rd</sup> November 2021 and on 23<sup>rd</sup> March 2022. Find out more on the following link: <https://www.maratona.it/en/charity-entries-2022>

#### **The magnificent three**

As usual, the Maratona dles Dolomites – Enel will entail three routes branching out along the epic passes of the Dolomites, all strictly closed to traffic. Pordoi, Sella, Gardena, Campolongo, Falzarego, Giau, Valparola: anyone can have a go and pedal through some incomparably beautiful scenarios. And discover yet again that nature, including the magnificent flowers which flood the meadows and fields around the rocky massifs with colours at the beginning of the summer, is what we need to safeguard. Now more than ever.

- The Maratona: 138 km long with a difference in altitude of 4230 m
- The Medium One: 106 km long with a difference in altitude of 3130 m
- The Sellaronda: 55 km long with a difference in altitude of 1780 m
