

## MARATONA DLES DOLOMITES-ENEL

Towards July 4<sup>th</sup>

**Update March 21<sup>st</sup> 2021**

Many questions are being asked these days. The most important of which is: Will the Maratona take place? Yes? No?

What we can say today is that the running of the Maratona will depend on the development of the pandemic and that we, with a consistent safety protocol, can significantly increase the feasibility of such an important event. And we are working on this to get ready for July 4<sup>th</sup>.

We are monitoring the situation and are in constant contact with the relevant bodies in order to ensure the running of the race by drawing up a plan so that the event can be held with guaranteed safety for participants, volunteers and workers.

We are optimistic that we will be able to finish our artwork and we ask all of you to maintain this optimism and continue to train.
