

## MARATONA DLES DOLOMITES – ENEL

### Press release

## WITH THE LATEST CHARITY ENTRIES, THE EVENT PROVIDES HUMANITARIAN AID IN UKRAINE

From 6 p.m. (GMT+1) on May 5th 2022, it will be possible to purchase 400 charity registrations at an increased price. The proceeds will be donated in aid of Ukraine.

**Alta Badia (South Tyrolean Dolomites/Italy)** - Less than two months to go before the start, the cyclists taking part in the 35th edition of the Maratona dles Dolomites-Enel on July 3rd are now getting their legs ready to tackle the wonderful climbs along the three routes.

The organising committee is working tirelessly to create an event that will finally run at full capacity, with all the services and side events, including those that were cancelled last year due to the pandemic.

#### **Last-minute news: 400 entries on sale for charity on May 5th**

The Maratona dles Dolomites – Enel has always made its charity work one of its strengths. Thanks to the higher-priced registrations, the Maratona dles Dolomites-Enel is able to support concrete solidarity projects that help people in Italy and all over the world. Since the numbers allow it, the organizing committee has decided to sell an additional 400 registrations, the proceeds of it will be donated to a project related to the humanitarian emergency in Ukraine.

The 400 charity entries at an increased price will be sold online (payment via credit card) from the website [www.maratona.it](http://www.maratona.it) on Thursday May 5th 2022 from 6pm (GMT+1) onwards. There will be only one type of registration, at a price of Euro 250.

Full details of the project will be published on <https://www.maratona.it/en/charity-entries-2022>.

#### **The magnificent three**

As usual, the Maratona dles Dolomites – Enel will entail three routes branching out along the epic passes of the Dolomites, all strictly closed to traffic. Pordoi, Sella, Gardena, Campolongo, Falzarego, Giau, Valparola.

- The Maratona: 138 km long with a difference in altitude of 4230 m
- The Medium One: 106 km long with a difference in altitude of 3130 m
- The Sellaronda: 55 km long with a difference in altitude of 1780 m
