Maratona dles Dolomites – ENEL 2016

Alta Badia (Bz) – 8.903 cyclists started their Maratona dles Dolomites this morning at 6.30 a.m from La Villa. The 30th Maratona dles Dolomites-Enel edition is dedicated to “THE JOURNEY” theme. A long, big snake of cyclists that took about 36 minutes to begin the race with a gorgeous landscape and an enchanting and exciting music to incite the start. That’s a high numbers’ mechanism with more than 33.000 pre-registrations but a limited numbers race; the Dolomite passes closed for all the race long; charity’s objective and eco-sustainable way to live the race with electrical cars and motobikes for internal use.

A game which twists and turns through the 7 Dolomite passes: Pordoi, Sella, Campolongo, Falzarego, Gardena, Valparola, Giau, starting from La Villa and finishing to Corvara. 3 routes: the long one of 138 km and 4230 mt of altitude; the medium one of 106 km and 3130 mt of altitude and Sella Ronda of 55 km and 1780 mt of altitude.

Half the cyclists are Italian, the other half are a heterogeneous group from five different continents: Germany, Great Britain, the Netherlands and Belgium will represent Europe; Qatar, Japan, Korea, Colombia and Kazakhstan, are only some of the nationalities of the cyclists travelling from afar.

THE JOURNEY, THE 30TH ANNIVERSARY THEME

The theme chosen to celebrate the 30th anniversary of Maratona dles Dolomites-Enel is the journey. A journey of discovery, a journey of dialogue, of influences and of healing. In fact, we began many years ago and we have never stopped and for us the Maratona is truly a long journey that has never ended.
