6 Division of the applications for entry:

The 2017 Marathon estimates a participation of approximately 9.000 competitors divided as follows: 5.000 entries by draw among all pre-registrations; 4.000 entries reserved for official tour-operators, registrations not subject to the draw, registrations whose surcharge will be assigned to charitable institutions and invitations.

Registrations not subject to the draw are the ones made by "fidelity members", members who participated and concluded more than 12 (twelve) editions of the Maratona, and the cancellations in 2016 that have regularly sent the request for deferring the participation fee to 2017 edition.

In addition, 50 entries will be drawn among pre-registered cyclists of non-European nationality.

The 5.000 entries by draw will be divided in single requests, cumulative requests with 2 (two) to 4 (four) members or cumulative requests with 5 (five) or more members, in proportion to all requests sent to the organisation.

7 Opening date for entry:

It will be possible to pre-enter for the 2017 Maratona from October 13th to November 3rd 2016. Pre-entries sent prior or after that date will not be taken into consideration.

No pre-entry is required for participants that transferred their 2016 registration-fee to 2017 within the terms, for participants buying a package by our official tour operators or registrations whose surcharge will be assigned to charitable institutions.

Participants who transferred the registration to 2017's edition will be sent a personal form to fill out and send back to the organisation together with the payment copy of the difference of participation-fee by April 13th 2017 for confirming their participation to the race in July 2017.

8.2 How to pre-enter: The pre-entry can be made exclusively online by completing the pre-entry form on our site www.maratona.it indicating following data: surname, name, address, nationality, date of birth, gender, e-mail, mobile number and jersey size, and paying the pre-entry fee of 2,00 € by credit card, bank transfer or other payment modalities depending on the country.

Pre-registrations on paper will not be accepted. The Maratona dles Dolomites Committee reserves the possibility to accept pre-registrations/payments.

Only one entry request per person is admitted, participants who send a double entry will be disqualified for the next two years. The draw will be held on the second half of November 2016 and the participants admitted to the race can definitely register for the race from December 1st 2016 till April 13th 2017. The complete list of participants drawn will be published on our website a day after the draw.

Sports clubs have to do a cumulative payment in order to be extracted as a group. For the draw they will be given a number (means one possibility) pro group.

The information on groups can be provided in two different ways:

- fill in the group pre-registration form online with the information on each member of the group and make a joint payment;
- download the Excel document for group pre-registration from the online pre-registration procedure, fill it in and upload it online and make the joint payment.

9 Participation fee: is 102,00 € + 10,00 € for the guarantee deposit of the chip (10,00 € will be reimbursed on arrival subject to return of the chip). The 2,00 € pre-entry fee is not part of the registration fee and will not be returned or considered as payment on account.

Please note that the chip costs 35,00 € and that if the chip is not returned, the difference of 25,00 € will be requested. In the event of failure to return the chip or to pay the difference, no entry will be accepted for the following year. The chip must be returned together with the tag of the bike on which the chip is fixed.

Payment of the entry fee entitles participants of using the repair service (spare parts not included), assistance and refreshments along the route, pasta-party at the finish, maratona jersey, race number (the front tag with the chip must be returned), infos by e-mail and sms; free participation at all activities during the biker's week. The classification will be published on the Maratona website www.maratona.it where the participants can also download and print their diploma.

10 Confirmation of entry:

The participants drawn as well as the registrations not subject to the draw can confirm their entry from December 1st 2016 till April 13th 2017 by using the individual code which will be communicated them by e-mail. All pre-entries not confirmed by that deadline will automatically be annulled.

Registration can be considered completed and regularly carried out, save sanctions by the FCI (Italian Cycling Federation) on arrival, only when the participation fee has been paid in full and a mobile number and e-mail address have been sent (these are compulsory for any notification from the organization) and the modification of the participant's status to "ok, complete" in the official list of participants on the site. At any time it is possible to see if the entry has been accepted or not and to check the own enrolment status on our website www.maratona.it.

11 Enrolment procedure:

The confirmation of entry needs to be done exclusively online on the official website www.maratona.it with payment by credit card, bank transfer or other payment modalities depending on the country.

The payment fees which vary depending on the chosen payment modality are shown in the payment procedure and are at the expense of the participant.

Each participant registered individually will receive by 23.06.2017 by e-mail the voucher with the assigned number that is necessary together with an original valid ID (identity card, passport or driving license) and the hand over of a copy of the medical certificate (this certificate must not be dated more than one year prior to the date of the event) or a copy of the cycling license 2017 released from the national cycling federation recognized by the UCI (see point 28) to collect the material of the Maratona in the four days before the event. Fidelity members and participants who already transferred the registration from 2016 cannot be replaced. The transfer of the registration to another person precludes the possibility of being registered again by other modalities in the same year. Any extensions of the closing date of the replacements will be notified on the website.

Those unable to participate are not entitled to any reimbursement of their fee. There is no provision to send race packs direct to home addresses. If a withdrawal is announced before 13th June 2017, the only participation fee (102,00 €) can be transferred to 2018. The entry deemed valid for the following year is nominal and cannot be transferred to third parties and is valid only for the year following any withdrawal.
